RESPONSE TO NOTICE OF ABANDONMENT

Dear Sir:

This responds to the Notice of Abandonment mailed on December 9, 2004. In accordance with 37 C.F.R. § 1.137(b), Applicant respectfully petitions to revive the above-referenced patent application.

The U.S. Patent & Trademark Office mailed an Action in this application on March 22, 2004, and the latest due date for filing a reply to this Action without an extension of time was June 22, 2004. A continuation application Serial No. 10/948,814 to the above-identified application was filed on September 22, 2004. A three month time extension to filing a response to the Action for the above-identified application, however, was inadvertently omitted, so that above-identified application became abandoned before the continuation application Serial No. 10/948,814 was filed. This omission is unintentional, and the entire delay from the due date of June 22, 2004 until today's date is unintentional.

A Petition for Extension of Time of three months and the required fee of \$1,020.00 are enclosed herewith to extend the response period to expire on September 22, 2004. The required fee in the amount of \$1,500.00 is enclosed as prescribed by 37 C.F.R. §§ 1.17(m) and 1.137(b), as indicated in the accompanying transmittal letter.

Certificate of Mailing Under 37 CFR 1.8

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope address to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on January 5, 2005.

Franklin Dyer

Respectfully submitted,

James S. Hsue
